

A futuristic, metallic humanoid figure with a highly muscular physique, rendered in a shiny, reflective blue-silver metal. The figure stands in a dynamic, forward-leaning pose on a sandy beach. In its right hand, it holds a cylindrical, metallic perfume bottle with a prominent, faceted star-shaped logo on its front. The background consists of a calm sea meeting a cloudy sky at the horizon. The overall aesthetic is sleek and futuristic.

Ainsi soit le Parfum...

A★MEN
